

KYGMC's newest Medley box, "Calligraphy" can be loaned out for a class activity on its own or used with either the "Revolution/Constitution" Museum Medley Box or the "Civil War" box.

Calligraphy is the art of creating beautiful and elegant handwriting with a pen or brush. It is the beautiful font you see in many of our historical documents.

If you are interested in borrowing the box, contact [education@kygmc.org](mailto:education@kygmc.org) or call the Kentucky Gateway Museum Center at 606-564-5865.
